

# Call for Recent Results

Researchers are invited to submit their latest findings on the topics within the [conference theme](#) for consideration in the recent results poster session. Submissions should consist of an abstract detailing the work's contribution, novelty, and relevance. It's worth noting that submissions to this session will not be eligible for submission to a special issue at the Springer journal [CCDS](#).

## Initial Submission Requirements:

Submit an abstract (within 2 pages) in addition to the title, authors, affiliations, and contact emails. Please submit your abstract in PDF format to <https://skjemaker.app.uib.no/view.php?id=16499075>

## Selection Criteria:

Submissions to the recent results poster session will be screened and approved by the committee. Selection will be determined based on the relevance and timeliness of the results.

## Information for Presenters of Accepted Abstracts:

Presenters of the accepted abstracts must prepare and print a poster (portrait orientation, single A0 page) to be presented in person during the recent results poster session at SETA 2024.
